

INSIDER UPDATES FROM UNC GREENSBORO

These are the top six things you and your students should know.

Our offices are open and we're available in more ways than ever before. Check out our cheat sheet on the back of this note for virtual tour info, live streaming information session schedule, event plans, text chat options, and more.

The UNC System has announced guidelines on test scores that have **reshaped our admission process for Fall 2021 applicants**. Visit our website for details or tune in to a special webinar with our admissions counselors on Thursday, October 1 at 2 p.m.

We are rolling out **new ways for students and families to learn about our campus**. Our digital viewbook can be personalized for in-depth information about academic programs and student life options. An interactive, VR campus tour is in the works as well.

We are on track to **complete construction of our 180,000 sq. ft. Nursing & Instructional Building this fall**. This space will house labs and classrooms for students in nursing, kinesiology, biology, chemistry, and biochemistry programs starting Spring 2021.

Two new degrees + several new minors are launching this fall.

- Environment & Sustainability (BA)
- Geography (BS)
- New minors/concentrations in:

Musical Theatre

General Mathematics

Earth Sciences

Professional Selling

Statistics

Geographic Information

Social Media Marketing

Natural Sciences

Ethics

More resources are coming for our counselor community! We are revamping the school counselor section of our website to include easy-to-find reference info, downloadable promotional graphics, and a form to request more printed materials. We will also be staying in closer contact with you through regular email updates and via our school counselor advisory board.
