TWOS: TUESDAY/THURSDAY OR MONDAY/WEDNESDAY/FRIDAY

Teachers strive to meet the needs of each child for love, guidance, and learning. Class is structured to promote independence and to develop social and thinking skills. Weekly themes tie together reading, art, and circle time.

THREES: TUESDAY/THURSDAY OR MONDAY/WEDNESDAY/FRIDAY

Focus is on learning while playing, making friends, creating art, singing, dancing, and learning to be kind, respectful, responsible, community members. The teachers create an environment that strives to bring out the best in EACH child and make learning fun!

PRE-K FOURS: MONDAY-THURSDAY

Creativity runs free with dramatic play, and fine motor skills are tuned with sensory bins and building. In preparation for kindergarten, fours practice writing their first and last names; letters and numbers; identify upper and lower case letters; count, measure, and more!

PRE-K FIVES: MONDAY-FRIDAY

Hands-on activities like cooking, gardening, science experiments, and building are balanced with kindergarten preparedness skills, including handwriting, counting, and alphabet recognition. Small group instruction is given to practice sight words and explore early reading to meet your child's needs.

- “Knowing the school was completely nut free made us so much more comfortable sending our 3-year-old to school.” ~ Arian Bhagat
- “My daughter is currently in her second year at St. Francis. I could not have imagined a better start to her school experience. She quickly became comfortable in the small, welcoming environment, despite having hesitations in other activities.” ~ Teresa Crowe
- “The first time we toured St. Francis, we knew that it was the right preschool for our family. We have been very happy with the choice that we made. All of the staff genuinely care about every child, and they foster a love for learning.” ~ Angela Sheldon
